

RESOLUTION

NO. 110-95

A RESOLUTION AUTHORIZING A VARIANCE TO THE CITY CODE SECTION 22-32 OFF STREET PARKING REQUIREMENTS, (A) GENERAL REQUIREMENTS, PARAGRAPH 6 (a) DRIVEWAY ENTRANCES AND EXITS, FROM THE REQUIRED MINIMUM RADII OF 15 FEET TO ALLOW 7 FEET; AUTHORIZING THE TRAFFIC ENGINEER TO ISSUE A COMMERCIAL DRIVEWAY PERMIT TO ANTHONY MARBOIS LOCATED AT 3613 MACON ROAD TO CONSTRUCT A 20 FOOT WIDE DOT STANDARD 6050 CONCRETE DRIVEWAY ACCESSING MACON ROAD.

WHEREAS, Anthony Marbois is enlarging the existing driveway and;

WHEREAS, the existing driveway to Macon Road is a residential driveway not meeting the minimum commercial width and radii, and;

WHEREAS, Anthony Marbois, Civil Engineer, has prepared engineering drawings indicating that a 20 foot wide DOT Standard 6050 concrete driveway can be constructed to allow access to Macon Road, and;

WHEREAS, Macon Road has been recently widened by a DOT roadway improvement project using the DOT Standard 6050 driveways, and;

WHEREAS, the Traffic Engineer has reviewed the plans and recommends approval of the requested variance.

NOW, THEREFORE, THE COUNCIL OF COLUMBUS, GEORGIA HEREBY RESOLVES AS FOLLOWS:

THAT A VARIANCE IS AUTHORIZED TO THE CITY CODE SECTION 22-32 OFF STREET PARKING REQUIREMENTS, (A) GENERAL REQUIREMENTS, PARAGRAPH 6 (a) DRIVEWAY ENTRANCES AND EXITS, FROM THE REQUIRED MINIMUM RADII OF 15 FEET TO ALLOW 7 FEET; AUTHORIZING THE TRAFFIC ENGINEER TO ISSUE A COMMERCIAL DRIVEWAY PERMIT TO ANTHONY MARBOIS LOCATED AT 3613 MACON ROAD TO CONSTRUCT A 20 FOOT WIDE DOT STANDARD 6050 CONCRETE DRIVEWAY ACCESSING MACON ROAD.

Introduced at a regular meeting of the Council of Columbus, Georgia, held on the 7th day of March, 1995, and adopted at said meeting by the affirmative vote of eight members of said Council.

ANTHONY MARBOIS

DRIVEWAY VARIANCE REQUEST

Introduction: The Traffic Engineering Division has received a request from Anthony Marbois at 3613 Macon Road to upgrade his existing driveway to commercial design in conjunction with the approval of The Georgia DOT, using the DOT Standard 6050 Concrete Driveway accessing Macon Road.

Recommendation: Our investigation determined that the upgrade of this driveway is warranted at this location. It is our recommendation that the attached resolution be approved by Columbus Council authorizing a variance to the driveway access to Macon Road. A sketch of the proposed driveway has been included as information.

TRAFFIC ENGINEERING
DIVISION

Ronald Hamlett
Columbus City Traffic Engineer

Subject: Request for Driveway Construction Permit.

Dear Sir,

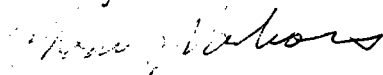

This is a request for a Construction permit and Columbus City council approval to upgrade the established driveway at 3613 Macon Road to commercial design specifications. The attached blue prints indicate the specifications and changes requested.

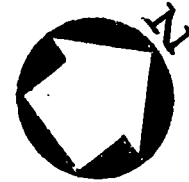

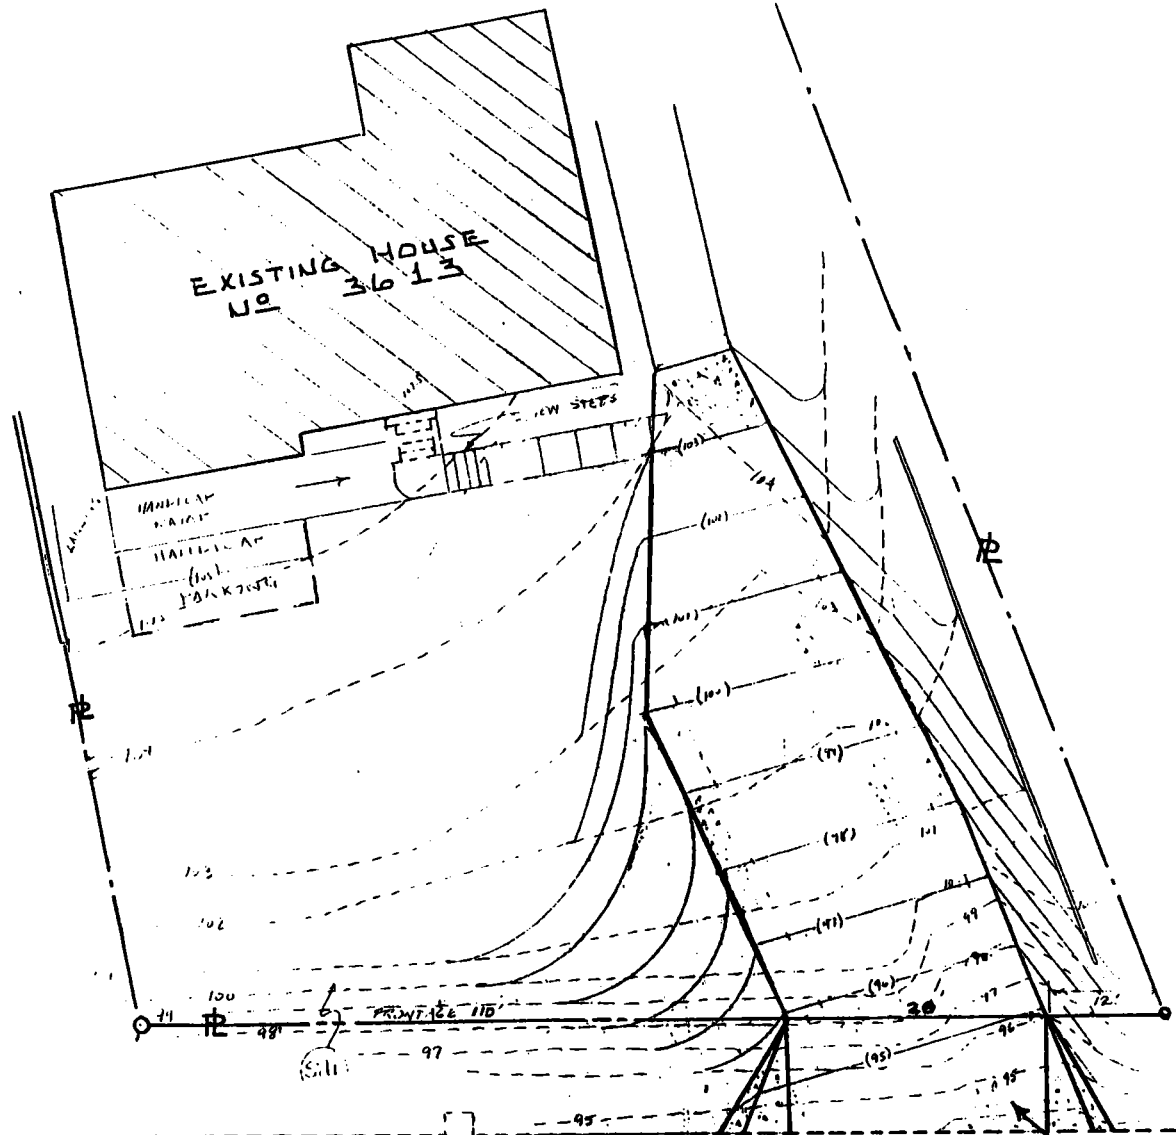

I ask that the offered blue print plans be modified to indicate the driveway width to be twenty (20) feet not twenty eight (28) feet. This is contingent on Georgia DOT approval which will be included in a forthcoming letter of consent to blue print design specs. Concurrence between Mr. Eddie Miles, city traffic engineer, and Mr. Gary Mailhot, of the Georgia DOT has been acknowledged.

I additionally request that I be granted a council hearing , for permit approval, due to design differences from code requirements (ie. curb cut and driveway pan) as soon as possible.

Thank you for your kind attention.

Sincerely,
Anthony Marbois
