

ORDINANCE 2022-006

AMENDMENT TO AMBULANCE ORDINANCE

WHEREAS The City previously passed Ordinance 2016-14 providing that the City of Valley EMS was the primary responder for all 911 or ambulance calls for all emergency and non-emergency calls of a medical or non-medical nature within the City. Since that time the City has ceased to operate this service and in 2018 contracted with East Alabama Water, Sewer and Fire Protection District for this service, the terms of which provided that this contractor shall be the exclusive responder for these calls within the City. Therefore

BE it ORDAINED that Ordinance 2016-14 is hereby amended as follows:

Pursuant to existing contract, from the date of the City's contract with East Alabama Water, Sewer and Fire Protection District, it shall be the exclusive provider of EMS services within the City for all 911 or ambulance calls of a medical or non-medical nature and no other private ambulance service shall be allowed so long as the City's contract with East Alabama is in effect.

The Mayor is authorized to appoint a person designated as EMS Director for the purpose of administering the ordinance.

Adopted this the 21st day of March 2022.
