FUNDING AGREEMENT

Dated as of December 1, 2013

By and Between

CITY OF JACKSONVILLE, ALABAMA

and

CITY BOARD OF EDUCATION OF THE CITY OF JACKSONVILLE, ALABAMA

FUNDING AGREEMENT

This Funding Agreement (the "Agreement"), by and between the City of Jacksonville, Alabama (the "City") and the City Board of Education of the City of Jacksonville, Alabama (the "Board"), is made and entered this 1st day of December, 2013.

Recitals

The Board is vested with the general administration and supervision of the public schools and educational interests of and in the City.

The Board has proposed to issue its approximately \$8,440,000 principal amount of Special Tax School Warrants, Series 2013, dated December 1, 2013 (the "Series 2013 Warrants") pursuant to a resolution duly to be adopted by the Board (the "Authorizing Resolution").

The Series 2013 Warrants are issued for the purposes of (1) constructing a new elementary school and (2) paying issuance expenses.

The City has determined that it is in the best public interest to commit not less than the amounts set forth on Exhibits A and B attached hereto and incorporated herein by reference each year to the payment of debt service on the Board's 2013 Warrants.

The Board and the City have entered into this Funding Agreement to provide for the transfer of the committed not-less-than amounts from the City to the Board for the payment of the debt service on the Board's Series 2013 Warrants.

The Board and the City have entered into this Funding Agreement pursuant to the laws of the State of Alabama, including Section 16-13-309 of the Code of Alabama, 1975.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements hereinafter contained, it is hereby agreed between the City and Board as follows:

SECTION 1. Agreement of City to Provide Funds.

(a) The City hereby covenants and agrees to pay monthly to the Board, in bankable funds and without the necessity of demand therefor, not less than the amounts set forth on Exhibit B attached hereto and by this reference made a part hereof, each said amount to be paid in monthly installments during the twelve-month period set opposite such amount as more particularly provided in subsection (b). The obligation of the City to make such payments as herein provided shall be a general, irrevocable obligation of the City and shall remain in full force and effect, regardless of the happening of any event, until this Funding Agreement is terminated in accordance with its terms.

(b) Beginning on or before January 25, 2014, and continuing on or before the twenty-fifth day of each month in each year thereafter, until this Funding Agreement is terminated in accordance with its terms, the City shall pay to the Board not less than the amounts set forth on Exhibit B opposite the applicable twelve month period in which said payment is made; provided that if not needed to pay debt service on June 1, 2014, the amount received as accrued interest on the 2013 Warrants may be used as a credit against the payments to be made by the City for the first twelve month period.

(c) If any monthly payment to the Board is less than the amount herein provided to be paid in such month, the amount of any such deficiency shall be added to the amount due to the Board on the then next ensuing payment date hereunder.

(d) Notwithstanding anything herein to the contrary, if on any principal or interest payment dates the balance in the Warrant Fund created under the Authorizing Resolution is insufficient to pay the principal of, premium, if any, and interest on the 2013 Warrants due and payable on such date and the City has made its required payments hereunder, then the Board shall forthwith pay any such deficiency into the Warrant Fund.

(e) The City may make such payments to the Board from any funds or revenues which at the time of any such payment the City is authorized by law to transfer to the Board to pay debt service on capital improvements to the Board's educational facilities.

(f) The City's obligation to make the payments described on Exhibit B shall survive the refunding, whether in whole or in part, of the Series 2013 Warrants and shall apply to any obligations issued to refund the Series 2013 Warrants, whether in whole or in part. Nothing herein shall prevent the City from contributing more to the Board than the monthly amounts shown on Exhibit B.

SECTION 2. Binding Effect; Governing Law.

This Funding Agreement shall inure to the benefit of and shall be binding upon the City and the Board and their respective successors and assigns. This Funding Agreement shall be governed exclusively by the applicable laws of the State of Alabama.

SECTION 3. Effective Date; Termination.

This Funding Agreement shall take effect upon the date hereof and shall not be terminated by either party until all of the 2013 Warrants (and/or obligations hereafter issued to refund the same) shall have been paid in full.

SECTION 4. Third Party Beneficiaries.

Regions Bank, the paying bank for the 2013 Warrants, is explicitly recognized as a third-party beneficiary hereunder and may enforce any right, remedy or claim conferred, given or granted hereunder.

SECTION 5. Continuing Disclosure Undertaking.

To the extent required by Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, the City agrees to provide to the Board such financial information as the Board may reasonably request.

SECTION 6. Execution In Counterparts.

This Funding Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 7. Section Captions.

The section headings contained herein are included for convenience only and should not be considered a part hereof or affect in any manner the construction or interpretation of this Funding Agreement.

SECTION 8. City May Make Additional Payments To Board.

Nothing herein shall limit the City in any year or month from contributing funds to the Board in addition to those shown herein and described on Exhibits A and B.

IN WITNESS WHEREOF, the City and the Board have caused this Funding Agreement to be executed in their respective corporate names and have caused their respective corporate seals to be hereunto affixed, and have caused this Funding Agreement to be attested, all by their duly authorized officers, and have caused this Funding Agreement to be dated the date and year first written above.
