SUBJECT: Speed Zone Ordinance
City of Cumming, Forsyth County

This office has completed the update of the City of Cumming Speed Zone Ordinance.

Two copies of the updated ordinance are attached for your review and approval. Once approved, please forward one signed notarized copy of the ordinance to the Gainesville office listed below for further processing. This copy will be maintained for our files and will be forwarded to the Department of Public Safety for their review and approval.

It is the City's responsibility to sign all off-system roadways. Speed limit signs and speed checked by detection device signs have to be in place for thirty (30) days prior to radar use. The attached ordinance will go into effect upon approval from the Department of Public Safety. However, the City cannot use any speed detection device until the signing requirements are met.

We appreciate your patience and cooperation in this matter. Should you have questions or require assistance, please contact Shane Giles of our office at (770) 531-5803.

Sincerely,

A handwritten signature in black ink, appearing to read "David W. Olson".
