

Resolution FY20-21

Resolution to Clarify and Amend the Procurement Policy Pertaining to Construction Services, Electrical Work, and Construction-Related Design Services

WHEREAS, North Broward Hospital District (the “District”) is a special taxing district of the State of Florida, and is authorized and empowered to maintain hospitals and supportive facilities for the care and treatment of the people of said District;

WHEREAS, Section 24 of the Charter of the District (the “Charter”) authorizes the District’s Board of Commissioners (“Board”) to establish procedures governing the purchase of supplies, equipment, materials, and construction services;

WHEREAS, the Board, on October 30, 2019, approved Resolution FY20-07: Resolution Creating a New Procurement Code and Establishing Emergency Waivers, which ratified the District’s new Master Procurement Code and its accompanying Procurement Policies and established the framework for the District to follow when procuring such goods and services;

WHEREAS, certain clarifications and revisions are needed in Procurement Policy, GA-001-086, Procurement of Professional Construction Services, Electrical Work, and Construction-Related Design Services (“Procurement Policy”);

WHEREAS, the Board wishes to amend those provisions in the Procurement Policy to provide additional guidance to the District when the District is procuring construction-related services; and

WHEREAS, unless context otherwise requires, capitalized terms used but not defined herein have the meanings ascribed to such terms in the Amended and Restated Bylaws of the North Broward Hospital District and its accompanying Codified Resolutions of the Board of Commissioners of the North Broward Hospital District.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Commissioners of the North Broward Hospital District, that:

1. The District is hereby authorized, as permitted under Florida Law, to hire professional firms for construction management contracts, design-build contracts, continuation contracts, and/or any other construction contracts permitted under Florida Law. The District shall have the right, as an option, to bid construction management services and design-build contracts through sealed bids, proposals submitted in response to a request for proposal, proposals submitted in response to a request for qualifications, proposals submitted for competitive negotiation, or any other procurement method permitted under Florida Law.
2. Changes to Procurement Policy, GA-001-086, Procurement of Professional Construction Services, Electrical Work, and Construction-Related Design Services, are adopted as detailed in the tracked-changed version of the Procurement Policy attached hereto and incorporated herein as Exhibit A.
3. This Resolution shall become immediately effective upon adoption and apply retroactively to any contracts entered into before the effective date of this Resolution.
4. This resolution hereby supersedes, amends, replaces and repeals any conflicting resolution or conflicting policy previously adopted by the Board.

DULY ADOPTED this 24 day of June, 2020.

Time Adopted 4:34 PM

- (2) No person may make any purchase with District funds unless authorized to do so by District policy or by administrative directive.
- (3) All estimates pertaining to the anticipated cost of Professional Design Services, Construction projects, or electrical work shall be provided in good faith and estimated in accordance with generally accepted cost-accounting principles.
- (4) Procurements covered by this Policy shall not be divided into more than one purchase order, project, or Contract solely for the purpose of avoiding the provisions of this Policy.
- (5) The terms and provisions of this Policy shall be deemed by operation of law to be a part of the term and conditions of each Procurement, purchase order, and Contract involving the District's Procurement of Professional Design Services and Construction projects, except to the extent that an authorized official has expressly provided for a written exception to one or more of the requirements provided for in this Policy with respect to a particular Procurement, purchase order, or Contract and such exception is consistent with Florida Law, the Code, and the District's Policies and Procedures.

- (6) *Advertising*: Any Procurement of Professional Design Services, Construction projects, or electrical work shall be advertised consistent with this Policy unless otherwise exempt under Florida law. All advertisements must include a general description of the project and must indicate how interested Contractors may apply for consideration. To the extent a competitive solicitation is used, even if a competitive solicitation is not required by this Policy, it must be publicly advertised.
- (7) *Professional Design Services*: All Procurements of Professional Design Services shall be Competitively Awarded to an appropriately-licensed Contractor unless the Procurement of Professional Design Services was pursuant to a Design Continuation Contract.
- (8) *Construction Services*: Any Procurement of Construction projects or services which are estimated, in accordance with generally accepted cost-accounting principles, to exceed \$300,000, ~~as provided in the Procurement Policy Table~~, shall be Competitively Awarded to an appropriately-licensed Contractor unless the Procurement of Construction services was pursuant to a Construction Continuation Contract.
- (9) *Electrical Work*: Any Procurement of electrical work estimated, in accordance with generally accepted cost-accounting principles, to cost more than \$75,000 shall be Competitively Awarded to an appropriately-licensed Contractor.

V. Procedure

(1) Competitive Solicitations

Except in the case of an emergency, purchases shall ~~follow either the competitive sealed bid or competitive sealed proposal process~~ be Competitively Awarded in the manner as determined by the Chief Procurement Officer and SVP, Operations for award of any subsequent Contract resulting from the Procurement is required in accordance with Florida law.

(a) Competitive Source Selections

- i. The Chief Procurement Officer and the SVP, Operations both have the authority to determine the source selection, unless otherwise exempt from the competitive Procurement process.
- ii. The Procurement of Professional Design Services and Construction and Construction-related projects and services shall be made using the appropriate Procurement process as follows:
 - Competitive Sealed Bids: An invitation to bid shall be issued which shall include the specifications and appropriate Contract terms and conditions applicable to the Procurement.
 - Competitive Sealed Proposals: When it is determined that the use of competitive sealed bidding is either not practical or not advantageous to the District due to the technical or specialized nature of the goods or services being procured, the competitive sealed proposal process may be used.
 - Other Methods: When determined appropriate, other Procurement methods consistent with best practices and Competitive Awards may be used provided such methods are in accordance with Florida law.

(b) Qualification Procedures

- i. Construction Projects and Electrical Work: The qualification procedures for Contractors that submit Bids or Proposals pursuant to a competitive solicitation for Construction projects or electric work shall be determined by the Chief Procurement Officer and delineated in a Standard Operating Procedure established by Supply Chain Services.
- ii. Professional Design Services: Any firm or individual desiring to provide Professional Design Services to the District must first be certified by the District as qualified pursuant to law and Broward Health's Policies and Procedures. All firms or individuals to be employed to perform Professional Design Services shall be fully qualified to render the required services. Among the factors to be considered in making this finding are the capabilities, adequacy of personnel, past record, experience of the firm or individual, whether the firm or individual is a certified minority business enterprise as defined by the Florida Small and Minority Business Assistance Act, and other factors determined to be applicable to the project's particular requirements. When securing Professional Design Services, the District should endeavor to meet the minority business enterprise Procurement goals under § 287.09451, F.S.

(c) *Selection Procedures*

- i. Construction Projects and Electrical Work: The selection procedures for Contractors that submit Bids or Proposals pursuant to a competitive solicitation for Construction projects or electrical work shall be determined by the Chief Procurement Officer and delineated in a Standard Operating Procedure established by Supply Chain Services.
 - If the Construction project or electrical work is to be awarded based on price, the Contract must be awarded to the lowest qualified and responsive bidder in accordance with applicable law.
 - If the Construction project or electrical work is subject to competitive negotiations, the Contract must be awarded consistent with the selection procedures used for Professional Design Services Exceeding \$325,000 as detailed below.
- ii. Professional Design Services Under or Equal to \$325,000: The selection procedures for Contractors that submit Bids or Proposals pursuant to a competitive solicitation for Professional Design Services expected to cost under or equal to \$325,000 shall be determined by the Chief Procurement Officer and delineated in a Standard Operating Procedure established by Supply Chain Services.
- iii. Professional Design Services Exceeding \$325,000: The selection procedures for Contractors that submit Bids or Proposals pursuant to a competitive solicitation for Professional Design Services that are expected to exceed \$325,000 shall evaluate current statements of qualifications and performance data on file with the District, together with those that may be submitted by other firms regarding the proposed project, and, unless fewer than three (3) Bids or Proposals are submitted following the solicitation for Bids or Proposals, shall conduct discussions with, and may require public presentations by, no fewer

than three (3) firms regarding their qualifications, approach to the project, and ability to furnish the required services. In order of preference, no fewer than three (3) firms deemed to be the most highly qualified to perform the required services shall be selected. In determining whether a firm is qualified, the District shall consider such factors as:

- The ability of professional personnel;
- Whether a firm is a certified minority business enterprise;
- Past performance;
- Willingness to meet time and budget requirements;
- Location;
- Recent, current, and projected workloads of the firms; and
- The volume of work previously awarded to each firm by the agency, with the object of effecting an equitable distribution of Contracts among qualified firms, provided such distribution does not violate the principle of selection of the most highly qualified firms.

In no event may the District request, accept, and consider proposals for the compensation to be paid under the Contract until after an award is made to the most qualified Bidder.

- iv. Professional Design Services for a Planning or Study Activity Under or Equal to \$35,000: The selection procedures for Professional Design Services that pertain to a planning or study activity and the expected cost is under or equal to \$35,000 shall be determined by the Chief Procurement Officer and delineated in a Standard Operating Procedure established by Supply Chain Services.
- v. Professional Design Services for a Planning or Study Activity Exceeding \$35,000: The selection procedures for Professional Design Services that pertain to a planning or study activity and the expected cost exceeds \$35,000 shall be consistent with the selection procedures for Professional Design Services Exceeding \$325,000 as delineated above.

(2) Advertising Procedures

(a) Construction

- i. All projects for Construction or electrical work that are to be solicited by a request for proposal or a request for qualifications, even if not required to be competitively solicited, must be publicly advertised and the Contract must be awarded in accordance with Supply Chain Services' Standard Operating Procedure.
- ii. All advertisements for solicitation of competitive bids or proposals for Construction projects or services projected to exceed \$200,000 and less than or equal to \$500,000 shall be publicly advertised at least once in a newspaper of general circulation in Broward County, or in the county where the project is located, at least twenty-one (21) days prior to the established bid opening and at least five (5) days prior to any scheduled prebid conference.

- iii. All advertisements for solicitation of competitive bids or proposals for Construction projects or services projected to exceed \$500,000 shall be publicly advertised at least once in a newspaper of general circulation in Broward County, or in the county where the project is located, at least thirty (30) days prior to the established bid opening and at least five (5) days prior to any scheduled prebid conference.
- iv. Bids or proposals shall be received and opened at the location, date, and time established in the bid or proposal advertisement.
- v. If the location, date, or time of the bid opening changes, written notice of the change must be given, as soon as practicable after the change is made, to all persons who are registered to receive any addenda to the plans and specifications.
- vi. In cases of emergency, the procedures required in this Section V.(2)(a) may be altered by the Chief Procurement Officer or the SVP, Operations in any manner that is reasonable under the emergency circumstances.

(b) *Electrical Work*

- i. Electrical work projected to exceed Threshold Category 4 shall be advertised consistent with the Advertisement Requirements provided in Section X.D.2. of the Code.

(c) *Professional Design Services*

- i. Any Procurement of Professional Design Services that pertain to a planning or study activity and the expected cost exceeds \$35,000 (except in cases of valid public emergencies certified by the President/CEO) shall be publicly advertised consistent with the Advertisement Requirements provided in Section X.D.2. of the Code.
- ii. All other Procurements of Professional Design Services projected to exceed \$325,000 (except in cases of valid public emergencies certified by the President/CEO) shall be publicly advertised consistent with the Advertisement Requirements provided in Section X.D.2. of the Code.
- iii. If it is anticipated that the Professional Design Services to be procured will be reused in the future, the public notice for the Procurement of the Professional Design Services must contain a statement that provides that the plans are subject to reuse in accordance with the provisions of § 287.055(10), F.S.

(3) Cone of Silence

- (a) Upon the District's issuance of a Solicitation, the Cone of Silence period shall be in effect and concludes upon the District's notice of intent to award.
- (b) Lobbying of Selection/Evaluation Committee members, the District's Board members, District employees, or District officials regarding any type of formal solicitation or Contract during the selection process or bid protest, by the Bidder, protester, or any member of the Bidder's or protestor's staff, an agent of the Bidder or protester, or any person employed by a legal entity affiliated with or representing an organization that has responded to a formal solicitation or Contract or has a pending bid protest, is strictly prohibited. This Cone of Silence shall begin upon the

date on which the competitive solicitation is first advertised by the District and continuing until the later of the date of the final award of the competitive solicitation, the date of rejection of all Bids or responses to the competitive solicitation, or the date of final disposition by the District of any protest of the competitive solicitation.

- (c) Nothing herein shall prohibit a prospective Bidder from contacting the Bids Department of Supply Chain Services to address situations such as clarification and/or questions related to the Procurement process as outlined in the formal Solicitation documents.

(4) Award, Cancellation, or Rejection of Selection

- (a) No award shall be final, and no Contract shall be created or deemed to exist until such time as a written Contract has been executed by the selected Vendor and the District.

i. After the Contract award is made, the District and the selected Bidder will enter into a Contract incorporating the requirements of the applicable Procurement Solicitation and with other terms acceptable to the District. The District shall negotiate the terms and conditions of a Contract (and incorporate provisions acceptable to the District) with any firm or individual selected to provide Professional Design Services, Construction services, or electrical work. The District has the right to rescind the Contract award to the selected Bidder if the District and the selected Bidder do not agree upon the Contract terms. The District further reserves the right to reject a Bidder, even a Bidder or Vendor awarded the Contract, at any time prior to full Contract execution.

ii. For Professional Design Services Contracts:

- The compensation negotiated with the selected firm or individual shall be fair, competitive, and reasonable. In making such determination, the District shall conduct a detailed analysis of the cost of the Professional Design Services required in addition to considering their scope and complexity.
- Any lump-sum or cost-plus-a-fixed-fee Professional Design Services Contract over \$195,000, shall require the firm or individual receiving the award to execute a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation are accurate, complete, and current at the time of Contracting. Any Professional Design Services Contract under which such a certificate is required must contain a provision that the original Contract price and any additions thereto will be adjusted to exclude any significant sums by which the District determines the Contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs. All such Contract adjustments must be made within one (1) year following the end of the Contract.
- Should the District be unable to negotiate a satisfactory Contract with the firm considered to be the most qualified at a price the District determines to be fair, competitive, and reasonable, negotiations with that firm must be formally terminated. The District shall then undertake negotiations with the

second most qualified firm. Failing accord with the second most qualified firm, the District must terminate negotiations. The District shall then undertake negotiations with the third most qualified firm. Should the District be unable to negotiate a satisfactory Contract with any of the selected firms, the District shall select additional firms in the order of their competence and qualifications and continue negotiations in accordance with the requirements herein until an agreement is reached.

- In the event the District is going to reuse existing plans from a prior Professional Design Services project, if the original public advertisement contained the statement that provided that the plans are subject to reuse in accordance with the provisions of § 287.055(10), F.S. and the proper public advertisement and selection procedures were utilized, then no further public notice is required and the District does not need to redo the Selection Procedures as provided above.
- (b) At any time prior to final award and Contract execution, a Solicitation or Contract award may be cancelled or rescinded, or any or all responses received by the District may be rejected by the Chief Construction Officer and/or the SVP, Operations, in whole or in part, when it is determined that such action is in the best interests of the District.
- (c) In the event of delay, cancellation, or rejection, a written notice of delay, cancellation or rejection shall be posted or sent to all persons who submitted a response to a Solicitation.
- (d) If all Solicitations are rejected or a Solicitation is cancelled, all Solicitation submittals received may remain confidential, at the discretion of the District, in accordance with chapter 119, Florida Statutes.

(5) Emergency Procurements

- (a) The Chief Procurement Officer and/or SVP, Operations may make or authorize others to make emergency Procurements of construction and/or construction-related design services, when a threat to public health, welfare, or safety exists, or a situation exists which makes compliance with source selection methods contrary to public interest; provided that such emergency Procurements shall be made with such competition as is practicable under the circumstances.
- (b) In the event an official state of emergency has been declared, the President/CEO is expressly authorized to execute Contracts with the State of Florida, Federal Emergency Management Agency (FEMA), and/or other applicable emergency relief entities on behalf of the District in order to accomplish all necessary relief efforts, provided that the requirements of this section have been met.

(6) Bid Security and Contract Performance Bonds

- (a) Bid Security: The District may require bid security for Solicitations for construction, goods, or service Contracts as the Chief Procurement Officer and/or SVP, Operations deems appropriate in the best interests of the District, in such form and content as is satisfactory to the Chief Procurement Officer and/or SVP, Operations.

- (b) Contract Performance and Payment Bonds: Contract performance and payment bonds may be required for any construction, goods, or service Contracts as the Chief Procurement Officer and/or SVP, Operations deems appropriate in the best interests of the District.
- (c) In accordance with section 255.05, Florida Statutes, Contractors who are awarded a Contract for the construction of a public building, for the prosecution and completion of a public work, or for repairs upon a public building or public work must, before commencing the work or before recommencing the work after a default or abandonment, execute and furnish a performance and payment bond as a security for faithful performance on contracts over \$200,000. Contracts of less than \$200,000 but more than \$100,000 may require a payment and performance bond at the discretion of the District. Contracts of less than \$100,000 do not require a payment and performance bond. When required, surety of such bond shall be in an amount equal to the Contract. Performance and payment bonds must be recorded in the county in which the work is to take place. Bonds will be accepted only from bonding companies licensed to do business in the State of Florida.
- (d) Any bond required for any construction, goods, or service Contracts—whether required under law or required in the discretion of the District—shall conform to the minimum standards and requirements as set forth in chapter 255 and section 255.05(1)(a), Florida Statutes, and be in a form and with terms acceptable to the District.
- (e) In no event shall any person, entity, or Contractor be required to secure a surety bond from a specific agent or bonding company for construction or repairs of public buildings.
- (f) In lieu of the bond required by this Policy and section 255.05, Florida Statutes, a Contractor may file with the District, in the sole discretion of the District, an alternative form of security in the form of cash, a money order, a certified check, a cashier's check, an irrevocable letter of credit, or a security of a type listed in part II of chapter 625, Florida Statutes. Any such alternative form of security shall be for the same purpose and be subject to the same conditions as those applicable to the bond required by this Policy and section 255.05, Florida Statutes. The determination of the value of an alternative form of security shall be made by the Chief Procurement Officer and/or SVP, Operations.

(7) Determination of Lowest Responsive and Responsible Bidder

When a Procurement involves the determination of the lowest responsive and responsive Bidder or proposer, in addition to price, the District shall have the discretionary power to render decisions on and may accept or reject Bids or Proposals on the basis of any one or more of the following:

- (a) The ability, capacity, skill and sufficiency of resources of the Bidder to perform the Contract and provide the requested service;
- (b) The Bidder's ability to perform the Contract within the time specified;
- (c) The character, honesty, integrity, reputation, judgment, experience and efficiency of the Bidder;

- (d) The quality of performance and conduct of the Bidder on previous Contracts with the District or any other reference or party that the Bidder has performed work or services;
- (e) The Bidder's propensity to request change orders based on Bidder's conduct under previous Contracts with the District;
- (f) The Bidder's previous failure to meet specified substantial completion dates or other milestone dates on previous Contracts with the District;
- (g) A Bidder's current workload and projected workload during the performance of the Contract; and/or
- (h) Any other circumstances or factors deemed in the best ~~interest~~interest of the District as determined by District discretion.

The above factors may be determined by Bidder's past performance with the District, information obtained from other project owners, information submitted as part of the Bid or Proposal or in response to an inquiry by the District, and/or information otherwise known or discovered by the District. The District may conduct detailed inquiries and examinations of Bidders, including of Bidders' personnel, place of business and facilities, compliance with federal, state, and local laws and all relevant licensing and permitting requirements, and other matters of responsibility germane to the Procurement process. Failure to respond or to provide adequate information in response to the District's inquiry in this regard shall be grounds for disqualification in the sole discretion of the District

VI. Exceptions

- (1) This Policy does not apply to Emergency Procurements as defined in Section V.(5) above.
- (2) This Policy does not apply to Construction projects and electrical services if the project or services are undertaken to replace, reconstruct, or repair an existing public building, structure, or other public construction works damaged or destroyed by a sudden unexpected turn of events such as an act of God, riot, fire, flood, accident, or other urgent circumstances, and such damage or destruction creates an immediate danger to the public health or safety; other loss to public or private property which requires emergency government action; or interruptions to essential District services.
- (3) For Construction projects and electrical services, this Policy does not apply if the project or services are undertaken as repair or maintenance of an existing public facility of the District and conforms to the requirements of § 255.20(1)(c)5., F.S.
- (4) For Construction projects and electrical services, this Policy does not apply if any of the circumstances provided under § 255.20(1)(c), F.S. exist.
- (5) This Policy does not apply to Construction projects under or equal to \$300,000 that are procured through a continuing project.
- (6) This Policy does not apply to electrical work services under or equal to \$75,000 that are procured through a continuing project.
- ~~(6)~~(7) This Policy does not apply to the Procurement of Construction services that are pursuant to a Construction Continuation Contract.

~~(7)~~(8) This Policy does not apply to the Procurement of Professional Design Services that are pursuant to a Design Continuation Contract.

~~(8)~~(9) This Policy does not apply to Professional Design Services Contracts when the District is able to reuse existing plans from a prior project of the District and the original procedures herein were correctly adhered to.

~~(9)~~(10) This Policy does not apply to design-build Contracts, as defined under § 287.055, F.S., and such design-build Contracts are governed by the provisions of § 287.055(9), F.S.
