## MEMORANDUM

---

**TO:** Mayor DeLong and members of the City Council

**FROM:** Kevin Freeman, Chief of Police

**DATE:** April 18, 2023

**RE:** Ammending Municipal code, 10.48.250 – Limits of Parking in Lots

Chapter 10.48.250 of the North Kansas City Municipal Code governs the limits of parking lots. Specifically, this chapter designates all municipal parking lots into either Zone A, Zone B, or Zone C. Each zone has a defined time when overnight parking in the designated lots is prohibited.

The removal of the parking lot at 18<sup>th</sup> Ave. and Swift St. and the completion of construction of the municipal parking lot north of E 16<sup>th</sup> Ave between Swift St. and Burlington St. requires this chapter of the code to be amended. There is also some conflicting and confusing language within this chapter that should be cleared up while we are making these amendments.

Action requested:

- Amend 10.48.250 A to eliminate the Zone C parking designation as the wording is identical to Zone A.
- Amend section 10.48. 250 B(2) to remove *The municipal parking lot at the southwest corner of 18<sup>th</sup> and Swift St.* and add *The municipal lot that is located north of E 16<sup>th</sup> Ave. and Clay St.*
- Amend section 10.48.250, C (2) to add, *Certain overnight parking in this lot abutting the building at 1600 Swift St. will be designated and authorized according to signage agreed upon between the city and the building owner.*
- Amend section 10.48.250 B (1) to move the two lots currently designated as Zone C into Zone A;
  - *The leased lot located at 2010 Fayette*
  - *The municipal lot located at 13<sup>th</sup> and Clay*
